Tuesday - 28 April 1959

25X1 1. [] (Security) called to advise us of an inquiry which Mr. Richard Arens, House Committee on Un-American Activities had made to the Federal Records Center. Arens requested information on five individuals, one of whom was a former employee of OSS and CIC. This individual's name is [] In accordance with arrangements with the Agency, the Records Center will not provide information on this individual. Such information must be provided through Agency channels. [] indicated that [] had been separated from CIC by order of the Civil Service Commission on loyalty grounds. [] is sending a memorandum for our information in handling this matter with HCUA.

25X1 2. Louis Dexter in Senator Vance Hartke's office (D., Ind.) telephoned to say he had attended a meeting at which [] of this Agency spoke. As a result of this meeting Dexter wished to request material which he understood the Agency had on the alleged dumping of aluminum by the Soviets. [] containing the reaction of the Far Eastern and Middle Eastern countries on this subject.

25X1 3. [] in the Director's office called to advise of his receipt of a letter from the Bureau of the Budget requesting the Agency's comments on S. 764, the Antarctic Commission Act.

4. Talked with Mr. LaMacchia in the General Counsel's office of the Civil Service Commission regarding S. 1489, Senator Keating's bill. LaMacchia indicated that the Commission was forwarding a report objecting to the enactment of the bill on grounds which were primarily administrative in nature. He acknowledged the existence of certain legal problems in this proposal but said he felt it unnecessary to face up to them in view of their other objections.
